Clean title Lexus ES350. Rarely use the car anymore. Very reliable for commute or long

distances. I have had the car for about three years and have regularly maintained and serviced with lots of new parts. I rarely use it anymore because I got another vehicle. I am happy to answer any additional questions about the vehicle and/or provide more pictures.

PROS:

- * Fresh Oil & Oil Filter (< 200 miles)
- * New Brakes with lots of life (Pads and Rotors < 3000 miles)
- * New Rear Sonar Sensors (< 100 miles)
- * Fresh Tires on all 5 wheels w/ the spare (< 500 miles)
- * New Front Right Axle (< 1000 miles)
- * Replaced Radiator w/ Radiator Fluid (< 5000 miles)
- * Chain Timing Belt Replacement (< 25000 miles)
- * 2 keys (main & spare)
- * Extra set of Front Brake pads (O'reilly's import direct)

CONS:

- * Lite scratches & clear coat fade on hood
- * Missing right side side skirt under passenger door
- * Backseat rugs have heavy stain, including stain on the rug covers (will include pictures)
- * Left side speakers work but sound unpleasant (tweeters and base)
- * Maintenance light on for tire pressure sensors
